

# AFFORDABLE

- ✓ Affordable for users at a daily fee ≤ 5¢ / pers.
- ✓ A solution for urban slum areas: mobile, easy to retrofit, can be rented

Photomontage © EOOS: The Blue Diversion Toilet retrofitted for an existing pit latrine in Kampala.

«The toilet is cheaper than building and emptying a pit latrine.»

Nakazzi Betty, slum resident in Kampala

«For me as a tenant the mobile toilet is interesting because I don't have to pay an upfront investment, I can rent it.»

James Birungi, slum resident in Kampala

## ✓ Suitable for a financially-sustainable franchising business
